

# Summer Intensive English for Teens

For the first 15min, we will have a short Bible story devotional, then we will have a 2 to 2 1/2 hour class of ESL. The last hour or thirty minutes will focus on a brief US History/US Geography/Civics lesson.

**Quizzes:** There will be a brief quiz at the beginning of each class starting on the second class.

**Tests:** There will be 3 tests that consist of speaking and writing. The first two tests will contain geography questions.

**Homework:** MyEnglishLab is a platform offered by Pearson, in which the student will be assigned 30 activities every day online.

**Project:** A state project will be completed and presented on June 27th in English.

**Field Trip:** We are planning on having a field trip to TN State Museum downtown and a scavenger hunt will be completed in two teams.
